**Dance** (Tanya Loman) - Dance Company kids will be going to SUU on Thursday, November 16 to perform and workshop with the SUU preschool students. This is part of the preschool STEAM program. They have been talking about dance, now they get to see it and do it! Dance Company will have Rachel Berman, former Paul Taylor dancer and Ashley Marinelli, TCA performer and choreographer, coming in to do master classes with them. All dance company seniors have been given teaching assignments within the dance company class-looking forward to those classes. Dance Company will be doing a fundraiser in December. They will be selling hot chocolate and baked goods during lunch. All proceeds will go toward the RDT Intensive that is happening in February. Dance I and Dance II students are working on solo projects. These will be performed at the informal showing scheduled for Friday, December 15 from 9:30-11:30 a.m. There will be a mid-year audition for Dance Company and Dance III placement on Friday, December 15 from 12:30-3:30. All current members are required to re-audition, I am hoping to bring on two-four more dancers onto the company, and hopefully a few more kids into the Dance III class.
