Financial Report - Malia Young

Right now it shows we have spent \$146 more than we have brought in. We do have a good candy supply on hand for the vending machines. Tara & Tanya will fill machines and count money before the meeting.

We are on track for finances.

Admin Report - Drew Williams Can we get sponsors for playbills? Yes...we need to figure out a plan for banners/playbills. Maybe even posted for TCA. We need to come up with a pay structure.

Play auditions-Going well. Maybe call backs when Kyle gets back from LA (family emergency)

Feedback from parents

Positives- longer schedule-more opportunities for electives.

But have a hard time with schedules of other kids

Liking the 5 by 5 schedule, 65 minutes, A/B and follow district schedule. Kids would have to stay after for Rehearsals. 8:15 to 2:45. Maybe Monday early release (Power Monday) collaboration time for teachers and some studio time/Master class time.

Retreat with admin next week to really look at scheduling.

Planning tracks for Freshman and Sophomores to help them figure out where they want to go as they are Upper-Classman. Need to choose Studio...Musical Theater maybe a great emphasis. Prepare the kids more what they want to go into, Studio wise.

Need more positivity online, Facebook. We need help with having parents/students post positive comments if we see good about Tuacahn. Boost school image.
