Studio/Committee Reports - past/upcoming events

Academics (Tiffany Moore) - Juniors take ACT 2/20

Ballroom/Community Council (Christine France) -Competition season. Will attend Nationals at BYU 03/05-03/10 and compete with 2 medley's- Sherlock/Standard and Greatest Showman/Latin.

Dance (Tanya Loman) - SUU Day of Dance, The SALT intensive was very successful. The kids worked with some amazing professionals and both productions we saw were STELLAR. The kids were engaged and excited about what they were learning. Their level of attention and energy was amazing. We will be hosting the choreography slam on Saturday, March 2. Dancers are looking forward to the challenging and fun day. All dance classes will be starting work on choreography for the spring dance concert in the upcoming weeks. Many hours of rehearsals to go...the work is the fun!

Film/Animation (Elizabeth Boggs) - May need funding in the future

Guitar/Band/Piano (Kareen Warnick) - LA trip w/Art was inspiring and great experience.

Improv (Alisha Terry-Martin) - have had 4 out of town competitions. Full house to monthly shows. Last show was a benefit for Make-a-wish. Playoffs start in March.

Madrigals (Candace Hafen) - In December the choirs and Madrigals had a successful showcase at the Electric Theater and money went towards Madrigals and the choir program. Most of the focus since has been on getting the Madrigal group costumed... there was a bit of headache and complication with new members being added in January, but in the end it worked out. The Madrigals group just returned from a choir and jazz festival at NAU in Flagstaff, Arizona. They were able to watch some amazing choirs/groups perform and receive feedback on their own performance. Everyone felt it was a positive experience and the group performed well, receiving a 1-. Thank you Booster Club for your help with funds to make this experience possible. Our Madrigals fundraising committee is working towards 2 fundraisers in the remaining part of the school year. Funds raised will help with upcoming expenses for regional and state competitions as well as any remaining funds will be put towards building a financial foundation for next year. With a new director coming in just as school began, it created a lot of complication and obstacles for the group. Mr. Lister hopes to get plans in place for next year's groups before the year ends. Auditions for next year will be in May.

Musical Theatre (Tiffany McDonald) - been working on getting costumes, fundraising for LA trip.

Orchestra (Michelle Andes) - Ready for LA Trip. Looking for a parent to head the Orchestra fundraising committee.

Sound Engineering (Sadie Best) - Open Mic Night 02/22 in conjunction with Poetry Slam. Looking to do a possible Songwriter showcase in April or May. Next step is to find an available venue (Hafen or Black Box) and asses student interest.

Tech Theatre - (Marci Miller) - Did great with Faculty Showcase. Getting ready for musical.

Theatre (Michelle Hansen/Jenni Heiner) - UTA at WSU

Working - finished music rehearsals, choreography started this week measured kids for costumes, will need help with feeding/costumes soon

Visual Art (Ricki Chambers) - LA Trip was successful.
