Financial Report - Malia Young

- The highlights are we have earned \$15,263.50 from Vending/Concessions so far. By June we should have earned another \$1200 which will put us at a record high income on vending. Overall we earned \$5,489.04 more than we have spent this year.
- Question I had that needs to be discussed is Grad Night--We gave them \$500 at the beginning of the year to reserve Fiesta Fun Time. We also earned \$667.75 from the Teacher Talent Show to go towards Grad Night. We need to figure out how much more Boosters needs to pay towards Grad night and when/how to get it to them.
