## Studio/Committee Reports - past/upcoming events

**Dance** (Tanya Loman) - Shakespeare piece is under way, fall concert choreography has begun, looking for funding for master classes, possible for booster to help? Yes

**Film & Animation** (Trish Fleischman) - nothing to report

**Music Vocal** (Michelle Hansen) - Hyperion Gold had an awesome set of Master Classes with actors from Tuacahn Ampitheatre. We have been trying to enjoy as much time with them as possible. September 23rd, Saturday, we are having a small performance of a chorus from Matilda that we will be performing with TCA for their Broadway cares show. Madrigals will be having their retreat on the 28th, 29th, and 30th of September. Thank you for Booster help. Choir Concert is coming up on October 9th. Dress rehearsals on the 5th and 6th after school until 6:30pm. Let the booster club know that I am so grateful for a wonderful rep!!!! There will be more things as the school year progresses that I will ask help from you concerning. We are looking at media that will be going out via YouTube showcasing Madrigals and Hyperion Gold and of course Garlands as we progress. Garlands will be a HUGE event help will be needed when closer.

**Music Instr.** (Kareen Warnick) - in process of exploring way to fundraise for guitars which would be 4K for beginners and 4K for ensemble, accepting ideas. Possibly have additional parent involved in Music Instr. that has a kid in this area, solicit for interested parent

**Theatre** (Nicole Richins) - encouraging everyone to buy tickets online. To use card, go into computer lab and purchase. One person with cash at ticket table. Brainstorm is to pull off online stuff at a certain point and give Heather the stack of leftovers, have a parent keep an eye on computer lab. General admission. Online purchasing went live on Friday night for purchasing Blast, family pass can't be purchased after 3pm. MY says tell them to avoid long lines and buy tickets in advance. There were 6 options online advertising how to buy tickets. First time using this method and will know next time how many volunteers will need- 2 ushers, 2 sell tickets (need to be able to stay after to count money) and 1 to get late people, watch computer lab. When finished, turn money into admin. Nicole understood all plays, loved the artwork, good job combining all three areas. The next Blast will likely be a musical in February

**Visual Art** (Janet Carter) - appreciated how art was incorporated into Blast. Stradley working on getting a drawing booth (caricature) for Saturday market. Would be good to use before shows/events. Ideas welcome on how to generate student revenue/fundraising

**Publicity** (Cheryl Gibbs) - happy to help, can do graphic design, website. School has own advertising so we'll use for booster events. Will check w/Andrus & Kyle see if they require help

**Fundraising** (Heather Riddell) - booth at Tuacahn, create sign-up for weekends to reserve

**Vending** (Syd Snow) - Need replacement that available during school day, Eaves volunteered!

- Blast - didn't know what to expect. Was blown away, corroboration between directors, actors, guitar, art was such a great concept. Kyle really appreciated Booster for their help
